

Management Team

Scott Davis, President

Scott catalyzes corporate strategy and sales, leads the evolution of the organization, and chairs the board of directors. Prior to founding Eyeris, Scott served in executive positions in the telecommunications and transportation industries, with responsibilities primarily focused on decision sciences and operations effectiveness at leading firms like US WEST and American Airlines. Scott holds an M.B.A. from Vanderbilt.

Brian Krasovec, VP – Product Development

Brian is responsible for Eyeris' product development objectives and initiatives. Prior to joining Eyeris, he worked at Kirkpatrick Energy and US WEST, developing decision support systems for Marketing and Operations. Brian holds a B.S. in Civil Engineering, Operations Research, and Engineering Management Systems from Princeton.

Mark Ebel, VP – Administration and General Counsel

Mark manages finance, administrative and legal functions at Eyeris. Before joining Eyeris, Mark was a partner at the law firm of Holland & Hart, where he specialized in representing emerging growth companies, including the issuer in the largest venture capital financing in Colorado history. Mark has served on the Boards of several non-profit organizations, including the Colorado Technology Incubator. Mark holds a J.D. from Stanford.
